## President's Report

Summer is going by real fast. Kids will be going to school in the next couple of weeks. Also, the family picnic is coming upon us real fast. It would be real nice to see a large amount of members and family members at the picnic to have a real good time.

Also, hunting season is coming upon even faster. So dust off those bows and get out and practice. Time to go and check your tree stands if you've left them up all year! Get your trail cameras in position so you can check out where the deer are traveling.

## Juniors Corner:

The Juniors extracted the honey from the bees. Thank you to everyone who helped out. We will be bottling the honey at the August 16th open meeting. We should have honey for sale at the September open meeting.

Bob the Critter Guy will be coming to the club house on August 21st at 12:00pm - everyone is welcome!

We had 61 shooters at the July 31st 3D shoot. Thank you to everyone who helped out.

Thank you to Tom Kornbau for taking the Juniors to the ranges on August 7th.

## Honey Jars

Please return cleaned Honey jars during the July and August open meetings.

The jars will be recycled for this years honey sale in September.
