President's Report

I would like to thank everyone who helped with the Youth Field Day this year. What a wonderful day the kids had!

Please attend our very important June Open Meeting. The meeting will begin at 6:00 pm on June 21st with a meeting at the flag pole for our annual memorial service. The regular meeting will follow with our annual elections of officers and board of directors.

Also, please remember that if you rent the clubhouse and kitchen, please bring your own supplies with you because we cannot afford to keep supplying things for everyone such as plates, cups, napkins, plastic silverware, creamers, sugar, coffee and bowls.

Terry

Juniors Corner:

There was a 3-D Shoot on May 29th. We had 28 shooter this month. Thank you to everyone who came out to help set-up or tear-down. Our next 3-D Shoot is on July 31st. Remember, if you come help set up, you get to shoot for free.

The Juniors have been invited to come out and shoot at the ranges on August 7th at 2:00. This will be a great opportunity for the Juniors to learn gun safety.

Welcome New Members!

Please welcome our new members for this month: Eric Brong, Jeffery L. Rehmyer, Michael Kreckler, Anthony Gotwalt, Arie Hadar and William Coulter.

Please give them a warm welcome as you see them on the grounds. With all new members and existing members, safety on our ranges is a very real concern. Please help educate each other and learn the rules of our firing ranges. The rules are posted at the range for all of our safety as well as to protect the property. Please read and make sure you understand them. If you have any questions, please ask someone.

Youth Field Day

The annual Youth Field Day, Sponsored by the York Area Sportsmen for Youth was held on the club grounds on Saturday, June 4th. It was a near perfect day! There were 176 youth that took part even though we had 200 signed up. Everyone had a good time and enjoyed the events. A HUGE Thank You to all who helped!

Collin and Rachel, whose parents and grandparents have recently joined the club, enjoyed trying every one of the introductions to different sporting activities. And Rachel had a chance to sit in a Pennsylvania Waterways Conservation Officer's fully equipped vehicle.

York County Senior Games

The York County Senior Games Target Shooting event and the Trap Shooting Event will be held on our club grounds on Wednesday, June 22nd.

Target Shooting (.22 rimfire) --- **50 yard range only** --- closed from 1:00 PM to 5:00 PM --- other ranges can be open to membership.

Trap Shooting --- Trap range closed from 4:00 PM to 8:00 PM.

Trap Raffle

New this year at Monday Night Trap Shooting is a monthly raffle drawing. If you are one of the lucky folks to shoot a green claybird, you may enter your name and phone number for a monthly give-away. The first two monthly winners were Tom Kahl and Jerry Durlanski. Tom took home a 19lb. ham and Jerry took home a bunch of Johnsonville Brats. Congratulations guys!

Come on down and bring your friends on Monday night and see if you can be our next winner!

New WCO's for York County

Kyle Jury (Northern York County), Shawn Musser (Southern York County) and Greg Graham (Chad Eyler's Area) have recently joined our area as new Wildlife Conservation Officers. Please welcome them. They all intend to carry on the same level of cooperation between sports-people as we have had with previous WCO's.

Maryland Outlaws Felt Waders

Maryland has outlawed the use of felt wader and wading shoes because of the spread of "Rock Snot" (Google 'rock snot', it is not pretty). Other states are also beginning regulations.

Hunting Licenses

Hunting licenses will be available after June 13, 2011. First day to apply for (round 1) antlerless tags is July 11, 2011.

Codorus State Park

Due to Osprey and Eagle nests on an island, buoys have been placed in the area with signs telling boaters to stay out of the area. This is for motorized and non-motorized boats and includes kayaks and canoes until the young birds are able to fly. Please use common sense on these waters and help protect their habitats.
